Call-to-Action

DEFEAT SENATE BILL 2418

Senate Bill 2418 has passed out of committee and is now on the Senate Floor Calendar. This bill increases the weight limit tolerance for harvest permit vehicles and vehicles loading and unloading at state ports. With the continuous bridge closings by the Federal government, counties cannot absorb more stress and damage to its local infrastructure with a weight limit increase. Please contact your local Senators and request that they defeat Senate Bill 2418.
