## **Meet & Greet Exhibit Tables: SOLD OUT!**

Wow, what a turn out! We are thrilled with the overwhelming response to our upcoming conference! However, we regret to inform you that we have reached our maximum capacity for meet and greet exhibit tables. While registration for attendance remains open, please note that no additional exhibit tables are available at this time.

## **Meet and Greet Exhibit Table Setup Time & What to Know:**

Exhibitors may begin sitting up their tables on **[Tuesday, January 23 between 11:00 am and 1:00 pm](#)**. Your table will be assigned by MAS. Your assigned table will have your name on the table. If you need help locating your table, please visit the MAS onsite registration desk.

**Power at Table:** If you need power at your table, we suggest that you bring an extension cord. Every other wall (with the exception of window walls) will have an electric outlet.

**Door Prizes:** Exhibitors are welcome to bring door prizes to the Conference. Your participation in offering door prizes greatly enhances the conference experience, and we appreciate your contributions to making this event a success. Exhibitors have the option to either bring these prizes to the MAS onsite registration desk, where they will be drawn and presented by MAS during the educational sessions, or to conduct the drawings directly at your exhibit table. For those choosing to hold drawings at their booth, please note that you will be responsible for delivering the prize to the winner.

**Name Badges:** Please be aware that to gain access to the meeting areas at the Sheraton Refuge Conference Center, it is essential to have your name badge. Upon arrival, you will pick up your name badge at the MAS registration desk. There will be two check points where name badges will be required. For your convenience, we recommend confirming in advance that your registration has been processed and your name badge is prepared for the conference.

**Registration Information:**

Each exhibit table package includes registration for two attendees. A 6' x 30" skirted display table and two chairs will be provided. Rates and options for additional tables and attendees are detailed in the registration form.
