The linked registration form is in a fillable format, so you may type in your information and save the file as a PDF to email it. Please email your registration form to Savanna McCafferty at smccafferty@massup.org. You may also fax a copy of it to the MAS Office at 601.353.2749 or mail your registration form to us at the MAS office at *793 North President Street, Jackson, MS 39202* or you may register through your **member portal linked here**. Tips For Registering Online:

If you have logged into the Member Portal before, enter your username and password to continue. New to the Portal? To create a login first go to the MAS website and select "Member Login" on the top right corner, then select "Log In" and then select "Forgot your password." Enter your username (*will be your email address*) Click "Reset my Password", then check your email for an email from no-reply@verificationemail.com with your password reset code. Enter the code and a new password when prompted. If you do not have an email address on file with MAS, please email Stephanie Spangler at sspangler@massup.org before beginning this step.

Once logged in, you will see the option to continue as yourself or your county/organization. To view your personal account or to register yourself, continue as yourself. If you are logging in to register all your county's attendees for a conference, click on your county button.

Please note, if you register multiple people in your county, it will only allow you to apply the \$5 discount code "2023DC" once, but we will adjust this for your final invoice.

When logged in as your county, please only select the name(s) of the county official or county employee(s) you are trying to register (*and receive invoice for*), after you select your registration fee, below it you will see the option to add a complimentary guest. Please note, county officials and county employees may not register as a guest. MAS will have to approve all registration requests so we will be reviewing all submitted registrations and attendees.

When registering on the portal, you are required to answer all the registration questions and selecting the check box under the Cancellation Policy before you are able to move forward. If the portal does not allow you to hit "Next" after answering all the questions and selecting the box stating the Cancellation Policy, go back to your responses and hit enter and type in "It won't let me select next", in each question/response until you see the "Next Page" button light up blue and it will then allow you to move on to the next page to finish registering.

Discount Code: You will enter your discount code on the final step of registering. You will have to select "Add to Cart", and then "Checkout" and lastly enter the promo code "2023DC" and select "Apply". If you register multiple people in your county, it will only allow you to apply the \$5 discount code 2023DC once, but we will adjust this for your final invoice.
