Re: 2020 Regional Capitol Visit Dates/  
Regional Elections for MAS Board of Directors & Committees

---

On Monday, February 3, the Mississippi Legislature passed a joint resolution to move legislative deadlines up by 7 days. To maximum our grassroots efforts, MS Association of Supervisors (MAS) moved up our Regional Capitol Visits. These visits are a great opportunity to strengthen our grassroots efforts and for county supervisors to speak to their legislator about county needs.

During the Capitol Visits, there will be a short business meeting at the MAS office during which elections for MAS Board of Directors, Nominating and Legislative Committees will be conducted. Lunch will be provided following the business meeting.

Below are the **new** Regional Capitol Visit dates for the 2020 Legislative Session.
