Re: Updated Reporting Deadlines

On September 30, the U.S. Treasury Department released a notice of a revised timeline for counties to submit Project and Expenditure Reports for the Coronavirus State and Local Fiscal Recovery Fund (Recovery Fund), which were originally due on October 31, 2021. Treasury states that, due to the comments and feedback gathered during the Interim Report and Recovery Plan Performance Report process, the department is revising the deadline for the submission of the first Project and Expenditure Report. **Project and Expenditure Reports will now be due January 31, 2022** and will cover the period between award date and December 31, 2021.

Further instructions will be provided at a later date, including updates to existing guidance and a user guide to assist recipients in gathering and submitting information through Treasury's Portal.
