MEMORANDUM

To: MAS Legislative Committee

From: Derrick Surrette, Executive Director

Date: 5/4/2017

Re: Meeting with Governor Staff

On Tuesday, The Mississippi Association of Supervisors (MAS) met with Governor Bryant's policy director and deputy legal counsel Drew Snyder. The primary focal point of our discussion encompassed adding infrastructure funding on the call for the Special Legislative Session. More specifically, we heavily discussed addressing the Local Systems Bridge Program (LSBP).

Mr. Snyder noted that the Governor was well aware of all the groups pushing for adequate infrastructure funding. He also noted that the Governor's primary objective with this Special Legislative Session is to complete the budgets for the agencies that were not approved.

Upon completion of our discussion, MAS handed Mr. Snyder 45 resolutions from counties requesting funding for the LSBP program.
