

- 1) Funding for all 82 MS counties will come directly from the Department of Treasury.
- 2) All counties must sign up through the portal to receive funding. Link to portal (<https://api.id.me/en/session/new>)
- 3) Once the county receives the first 50% funding, the funds should be placed in a sperate account.
- 4) Do not obligate or spend (invest) the funds until the county has a clear understanding of how to spend (invest) and obligate the funds.
- 5) MAS and NACo will develop detailed and clear instructions on how to properly proceed in the investing and obligation of the funding.
