Attendees can expect to receive all necessary booking details and registration forms through email, text, fax, our website, and mail at the specified time.

A key highlight of the 2024 Mid-Winter Legislative Conference is the invaluable opportunity for attendees to engage with numerous county officials and statewide vendors. This event serves as a dynamic platform for exchanging ideas and strategies on various topics and discussing potential legislative initiatives beneficial to county governance.

During the conference, the MAS will focus on discussing priority legislative proposals, as recommended by the MAS Legislative Committee. These proposals will be deliberated and voted on by the membership during the General Assembly on Thursday, January 25. The conference is a crucial forum for members to interact with their state legislators about bills that are significant for county government.

Additionally, the conference will offer opportunities to earn credits towards phases I and II of the MAS Institute for Excellence in County Government education program. To kick off the event, a welcome networking reception will be held at the Sheraton Refuge Conference Center on Tuesday, January 23, to greet all members and vendors. The following day, Wednesday, January 24, features a Legislative Appreciation Luncheon at the MS Trade Mart, conveniently located near the State Capitol. The day concludes with a self-guided Capitol Visit, allowing attendees to meet with their local legislative delegation, acquaint themselves with the MS State Capitol's layout, including committee meeting locations, the House and Senate Chambers, and parking areas, thereby enhancing their engagement in the 2024 Regular Legislative Session.
